Happy Hearts Feline Rescue
Contract for Adoption

Happy Hearts Feline Rescue has spayed or neutered this cat or kitten and has been given age appropriate vaccinations, treated for worms, fleas and ticks. It is now your responsibility to continue with these vaccinations and parasite treatments.

Happy Hearts Feline Rescue cannot guarantee the health, temperament or condition of the cat/kitten.

If you can no longer keep your commitment to care for this cat/kitten, including keeping the cat/kitten in good health, providing food, water and Rescue at all times, and paying for all costs associated with this care, contact:
